By Senators Frockt, Litzow, McAuliffe, Hargrove

ADOPTED 03/06/2013

1 On page 6, line 34, after "school year.", insert "Districts shall
2 receive the funds allocated in excess of an average class size of
3 25.23 for grades K-3 only to the extent that the district documents a
4 class size between 25.23 and the class size funded in the biennial
5 operating budget."

6 EFFECT: School districts will receive class-size reduction funds to the extent they use the funds for the purpose.

FISCAL IMPACT: None, if school districts document budgeted levels of class-size ratios.

If districts document class-sizes larger than the budget provides, allocations would be lower than expected.
